

Edmund Paul Russell III

Department of History
Carnegie Mellon University
5000 Forbes Avenue
Pittsburgh, PA 15213
edmundr@andrew.cmu.edu

Education

University of Michigan, Ann Arbor, Michigan. Ph.D., Biology, 1993.
Stanford University, Stanford, California. B.A., English with distinction and highest honors, 1980.

Employment

Carnegie Mellon University, Pittsburgh, Pennsylvania. Professor, Department of History, 2019-present.
Boston University, Boston, Massachusetts. Professor, Department of History, 2016-2018.
University of Kansas, Lawrence, Kansas. Joyce and Elizabeth Hall Distinguished Professor of United States History, Department of History, 2013-2016.
University of Virginia, Charlottesville, Virginia. Professor, Department of Science, Technology, and Society and Department of History, 2011-2012. Associate Professor, 2000–2011. Assistant Professor, 1994-2000.
American University, Washington, D.C. Professorial Lecturer, Department of History, 1994.
University of Michigan, Ann Arbor, Michigan. Ph. D. Student, 1986-1993.
Stanford University, Stanford, California. Lou Henry Hoover House Manager, 1984-1986.
Duchesne Academy, Omaha, Nebraska. Teacher, American Literature, 1982-1983.
International Institute of Rural Reconstruction, Silang, Cavite, Philippines. Writer, Editor, and Appropriate Technology Project Leader with Volunteers in Asia, 1980-1982.

Honors and Awards

Dibner Distinguished Chair in the History of Science and Technology, Huntington Library, San Marino, California, to be held in 2019-2020.
Distinguished Lecturer, Organization of American Historians, 2008-2018.
Leopold-Hidy Prize (for the best article published in *Environmental History* in 2003), awarded by the American Society for Environmental History and the Forest History Society for “Evolutionary History: Prospectus for a New Field,” *Environmental History* 8 (April 2003): 204-228.
Edelstein Prize (for an outstanding book in the history of technology published in the preceding three years), awarded by the Society for the History of Technology for

War and Nature: Fighting Humans and Insects with Chemicals from World War I to Silent Spring (New York: Cambridge University Press, 2001), 2003.

Forum for the History of Science in America Prize (for the best article on the history of science in America published in the previous three years by a scholar within ten years of the Ph.D.) awarded by the Forum for the History of Science in America for “The Strange Career of DDT: Experts, Federal Capacity, and ‘Environmentalism’ in World War II,” *Technology and Culture* 40 (1999): 770-796, 2001.

State Council of Higher Education for Virginia Outstanding Faculty Award (awarded to eleven faculty members statewide), 1999.

Alumni Board of Trustees Teaching Award, University of Virginia (awarded to one assistant professor university-wide), 1998.

National Science Foundation CAREER Award, 1995-1999.

Teaching Fellows Award, University of Virginia (awarded to six faculty members), 1995-1996.

Rachel Carson Prize (for the best Ph.D. dissertation in environmental history completed in the previous two years), American Society for Environmental History, 1994.

Distinguished Dissertation Award, University of Michigan (awarded to four of 600 dissertations), 1994.

Prize for outstanding undergraduate honors thesis, Stanford University, 1980.

Visiting Positions and Fellowships

Visiting Scholar, Center of the American West, University of Colorado, Boulder, 2017
Extraordinary Member, Human Sciences Center, Ludwig Maximilians University, Munich, Germany, 2012-present.

Fellow, Institute of the Humanities and Global Cultures, University of Virginia, 2012-2013.

Rachel Carson Fellow, Rachel Carson Center of the Ludwig Maximilians University and Deutsches Museum, Munich, Germany, 2010-2011, 2012.

Life Member, Clare Hall, Cambridge University, Cambridge, England, 2003-present.

Visiting Scholar, Department of History and Philosophy of Science; Visiting Fellow, Clare Hall; Visiting Research Fellow, Centre for History and Economics, King’s College, Cambridge University, Cambridge, England, August 2002-July 2003.

American Association for the Advancement of Science-Environmental Protection Agency Science and Engineering Fellow, 1993.

Predocorial Fellow, National Museum of American History, Smithsonian Institution, 1991-1994.

Fulbright Fellow to Philippines, 1990 (declined).

Foreign Language and Area Studies Fellow, University of Michigan, 1989-1990.

University of Michigan Regents Fellow, 1986-1989.

Naturalist-Ecologist Training Program Fellow, University of Michigan Biological Station, 1987.

Refereed Books

- Edmund Russell, *Greyhound Nation: A Coevolutionary History of England, 1200-1900* (New York: Cambridge University Press, 2018). Issued simultaneously in hardback, paperback, and ebook.
- Edmund Russell, *Evolutionary History: Uniting History and Biology to Understand Life on Earth* (New York: Cambridge University Press, 2011). Issued simultaneously in hardback, paperback, and ebook. Chinese translation in process (Beijing: Commercial Press).
- Richard P. Tucker and Edmund Russell (editors), *Natural Enemy, Natural Ally: Toward an Environmental History of War* (Corvallis: Oregon State University Press, 2004).
- Edmund Russell, *War and Nature: Fighting Humans and Insects with Chemicals from World War I to Silent Spring* (New York: Cambridge University Press, 2001). Issued simultaneously in hardback and paperback.

Other Books

- Sally K. Fairfax and Edmund Russell (editors), *Guide to U. S. Environmental Policy* (Washington, DC: CQ Press, 2014).

Refereed Journal Articles and Book Chapters

- Edmund Russell, “Spinning Their Way into History: Silkworms, Mulberries and Manufacturing Landscapes in China,” *Global Environment* 10 (2017): 21-53.
- Edmund Russell, “‘Speaking of Annihilation’: Mobilizing for War against Human and Insect Enemies, 1914-1945,” in James Sabathne and Jason Stacy (eds.), *Past Forward: Articles from the Journal of American History, v. 2: From the Civil War to the Present* (New York: Oxford University Press, 2017), 149-170 (condensed version of “Speaking of Annihilation” published in *Journal of American History*).
- Aline Vedder, Lukasz Smigielski, Evgeny Gutyrchik, Yan Bao, Janusch Blautzik, Ernst Poeppel, Yuliya Zaytseva, and Edmund Russell, “Neurofunctional Correlates of Environmental Cognition: An fMRI Study with Images from Episodic Memory,” *PLOS One* 10 (no. 4, 2015), e0122470, doi: 10.1371/journal.pone.0122470.
- Edmund Russell, “Coevolutionary History,” *American Historical Review* 119 (Dec. 2014): 1514-1528.

Research Funding

- Buckner W. Clay Award in the Humanities, University of Virginia, \$8000, 2012.
- National Science Foundation, "Planning Committee: Transformation of Undergraduate Curricula in Energy" (DUE-1226492), \$24,980, 2012. Principal investigator: John Perkins. Co-principal investigators: Edmund Russell, Catherine Middlecamp, David Blockstein.
- Rachel Carson Center of the Ludwig Maximilians University and Deutsches Museum, Munich, Germany, fellowship of 35,000 euro, 2010-2011.
- National Science Foundation. "Rethinking Technology, Nature, and Society: A Research and Training Program" (SES-0241889), \$282,819, 2004-2007. Principal investigator: W. Bernard Carlson. Co-principal investigators: John K. Brown and Edmund Russell.
- National Science Foundation. "The Garden in the Machine: The Adaptation of Canine Biotechnology and Human Society" (SES-0220764), \$110,000, 2002-2005. Principal investigator.
- National Science Foundation CAREER Award. "War and Nature: Science, Technology and Metaphor" (SBER95-11726), \$45,000, 1995-1999. Principal investigator.
- University of Michigan. Block Grants, 1988, 1989, and 1992.
- University of Michigan. Dissertation Enhancement Grant. 1990.
- University of Michigan. Dean of Graduate Studies Discretionary Funds, 1989, 1993.
- University of Michigan. Population and Environmental Dynamics Project Grant, 1989.
- University of Michigan. Matthaei Botanical Garden Grant, 1988.

Invited Lectures and Seminars

- "The Social Implications of Technological Change," Keynote address, Silicon Flatirons symposium (co-sponsored by Law School, School of Media, Communications, and Information, and Center of the American West), University of Colorado, Boulder, October 2017.
- "Adapting Capitalism to Climates: Entrepreneurs, Stock, and Transcontinental Telegraphy in the United States, 1844-1861," Environmental History Seminar, Massachusetts Historical Society, Boston, Massachusetts, October 2016.
- "Spinning their Way into History: Silkworms, Mulberries, and Manufacturing Landscapes," Keynote address, conference on "Manufacturing Landscapes: Nature and Technology in Environmental History," Renmin University and Rachel Carson Center, Beijing, China, May, 2015.
- "Coevolutionary History," Hobart and William Smith Colleges, Geneva, New York, April 2015 (as the Melvyn Hill Fellow).
- "Coevolutionary History," SUNY-Cortland, Cortland, New York, February 2015 (Organization of American Historians Distinguished Lectureship)
- "Coevolutionary History," Science, Technology, and Society Colloquium, University of Michigan, Ann Arbor, Michigan, November 2014.
- "Coevolutionary History," Science, Technology, and Society Colloquium, Virginia Commonwealth University, Richmond, Virginia, October 2014.
- "Fast Dogs and Englishmen: The Coevolution of Greyhounds, Lurcher, and Whippets with Aristocrats, Middle Classes, and Workers in England, 1500-1900," Department of Science, Technology, and Environment Colloquium, Royal Institute of Technology, Stockholm, January 2104.

- “Coevolutionary History,” Agrarian Studies Colloquium, Yale University, New Haven, Connecticut, October 2013.
- “Evolutionary History: The Industrial Revolution, Tuskless Elephants, and How Biology Can Help Us Understand Our Past,” Allman Family Lecture, Southern Methodist University, Dallas, Texas, February 2013.
- “The Impact of *Silent Spring*,” Rachel Carson Council and American Bird Conservancy Conference on “50 Years after *Silent Spring*,” Patuxent, Maryland, September 2012.
- “Weapons of Warfare: World War I,” American history teachers, Rockford Public Schools, Rockford, Illinois, March 2012 (Organization of American Historians Distinguished Lectureship)
- “An Explorer’s Notebook: Evolution, Cognition, and the Use of Science in History,” Yale University, New Haven, Connecticut, February 2012
- “Drawing on Darwin: *Evolutionary History* and the Use of Science in History,” Carnegie Mellon University, Pittsburgh, February 2012
- “Neurohistory: A New Field for Historians?” Social Psychology Colloquium, Ludwig Maximilians University, Munich, Germany, May 2011
- “Evolution of the Industrial Revolution: Amerindians, New World Cottons, and Mechanization of the English Cotton Industry.” Alpen Adria Universität, Vienna, Austria, May 2011.
- “Neurohistory: A New Field for Historians?” Deutsches Museum, Munich, Germany, May 2011.
- “Neurohistory: A New Field for Historians?” Rachel Carson Center, Munich, Germany, April 2011.
- “Evolution of the Industrial Revolution: Amerindians, New World Cottons, and Mechanization of the English Cotton Industry.” Royal Institute of Technology, Stockholm, Sweden, March 2011.
- “War and Nature: Parallels between Fighting Humans and Fighting Insects.” DARPA Defense Science Office Speaker Series on Bioterrorism, Arlington, Virginia, July 2010.
- “The Evolution of the Industrial Revolution: New World Cottons and Mechanization of the English Cotton Industry.” École des Hautes Études en Sciences Sociales, Paris, France, June 2009.
- “The History of American Conservation.” Featured Speaker for conference on “Conservation 2.0: Conservation in the Greater Yellowstone: Past, Present, and Future,” Jackson, Wyoming, May 2008.
- “The Fierce, the Fleet, and the Fancy: How Gambling Shaped the Evolution of dogs in Nineteenth-Century Britain.” Delbert McQuaide Distinguished Lecture, Juniata College, Huntingdon, Pennsylvania, April 2007.
- “The Fierce, the Fleet, and the Fancy: How Gambling, Society, and Dogs Coevolved in Nineteenth Century Britain.” President’s Lecture, University of British Columbia, March 2007.
- “The Fierce, the Fleet, and the Fancy: How Gambling, Class Relations, and Dogs Coevolved in Nineteenth Century Britain.” Virginia Tech, April 2006.
- “The Fierce, the Fleet, and the Fancy: How Gambling, Class Relations, and Dogs Coevolved in Nineteenth Century Britain.” University of Kansas, February 2006.

- “The Fierce, the Fleet, and the Fancy: How Gambling, Class Relations, and Dogs Coevolved in Nineteenth Century Britain.” University of Oklahoma, February 2006.
- “Blood, Sweat, and Tears: Dogs as Gambling Technology in Nineteenth-Century Britain.” Massachusetts Institute of Technology, 2005.
- “War and Nature: Fighting Humans and Insects from World War I to Silent Spring.” University of Connecticut, 2003.
- “War and Nature: Fighting Humans and Insects from World War I to Silent Spring.” University of Utrecht, Netherlands, 2003.
- “Let Slip the Dogs of Yore: Key Words and Canine Breeding in 19th Century Britain.” University of Utrecht, Netherlands, 2003.
- “Blood, Sweat, and Tears: Dog Fighting, Baiting, and Working Class Culture since 1800.” Cambridge University, England, 2003.
- “Let Slip the Dogs of Yore: Key Words and Canine Breeding in 19th Century Britain.” Cambridge University, England, 2003.
- “Evolutionary History: Prospectus for a New Field.” Cambridge University, England, 2002.
- “An Anatomy of Organismal Technology.” Rutgers University, New Brunswick New Jersey, 2002.
- “Dog Breeding and the Role of Evolution in History,” Virginia Tech, Blacksburg, Virginia, 2001.
- “A History of DDT—A War on Insects.” Household Hazardous Waste Conference sponsored by Kansas Department of Health and Environment, Wichita, Kansas, 2000.
- “Already Homeward Bound: The Enduring Legacy of World War II.” Carnegie Mellon University, Pittsburgh, Pennsylvania, 1999.
- “‘Speaking of Annihilation’: Mobilizing for War against Human and Insect Enemies, 1914-1945.” University of North Carolina-Wilmington, Wilmington, North Carolina, 1996.
- “‘Speaking of Annihilation’: Mobilizing for War against Human and Insect Enemies, 1914-1945.” Virginia Tech, Blacksburg, Virginia, 1995.
- “From Pollution to Risk: Ecological Protection and Regulatory Paradigms at the Environmental Protection Agency.” United States Environmental Protection Agency, Washington, DC, 1995.
- “From Pollution to Risk: American Culture and Regulatory Philosophies at the United States Environmental Protection Agency, 1970-1990.” Stanford University, Stanford, California, 1994.
- “Swords and Ploughshares: Chemical Weapons, Insecticides, and Technological Change, 1914-1945.” Johns Hopkins University, Baltimore, Maryland, 1993.
- “Swords and Ploughshares: Chemical Weapons, Insecticides, and Technological Change, 1914-1945.” National Air and Space Museum, Washington, DC, 1993.
- “The Miracle of DDT in World War II.” University of Pennsylvania, Philadelphia, Pennsylvania, 1992.
- “What Made DDT Miraculous in World War II?” National Museum of American History, Washington, DC, 1991.

“Tritrophic Interactions in Rice.” University of the Philippines-Los Baños, Los Baños, Philippines, 1990.

“Perils of Pesticides.” Michigan State University, East Lansing, Michigan, 1988.

Conference Presentations

Closing Comments, Environment Initiative Faculty Workshop, Harvard Global Institute, Harvard University, Cambridge, Mass., Sept. 16-17, 2016.

“Capitalism, Environment, and Technology,” Science with Passion and a Moral Compass: Symposium Honoring John Vandermeer, University of Michigan, Ann Arbor, May 2016.

“History in a Brain Scanner: How a Historian and Neuroscientists Studied the Impact of Environments on Brains Using Functional Magnetic Resonance Imaging,” American Society for Environmental History, Seattle, April 2016.

“Evolutionary Fine Tuning: Adapting Greyhounds to Hunting, Gambling, and Private Coursing,” American Society for Environmental History, Washington, DC, March 2015.

“Neurohistory of Environments: Synthesizing History and Neuroscience to Understand the Past and Present,” European Society for Environmental History, Munich, Germany, August 2013.

Roundtable participant, “Edmund Russell’s *Evolutionary History*: A Critical Appraisal,” American Society for Environmental History, Toronto, April 2013.

“A Taste of Combat: How the Coevolution of Grapes and Yeast with Bacteria, Fungi, Insects, and Mammals Shaped the Traits of Wine,” American Historical Association, New Orleans, January 2013

“Paradigms of Change: Why Some Concepts are More Useful than Others,” American Society for Environmental History, Madison, Wisconsin, March 2012.

“Concluding Remarks,” Neurohistory: How Can Neuroscience Help Us Understand the Past? Rachel Carson Center, Munich, Germany, June 2011.

“Neurohistory: A New Field for Historians?” New Approaches in Environmental History, Rachel Carson Center, Munich, Germany, April 2011.

“The Evolution of the Industrial Revolution: New World Cottons, Amerindians, and Mechanization of the English Cotton Industry.” American Society for Environmental History, Portland, Oregon, March 2010.

“Dissecting the Life of an Everyday Consumer Product: *Charging a Generation: Red Bull Revealed*.” Humanities and Technology Association, Charlottesville, September 2009.

“When Elections Go to the Dogs: How Parliamentary Politics Drove Canine Evolution in England in the Nineteenth Century.” World Congress of Environmental History, Copenhagen, Denmark, August 2009.

“Concluding Remarks,” Militarized Landscapes conference, University of Bristol, September 2008.

“Urban Evolution: Dogs in English Cities in the 19th Century.” American Society for Environmental History, Boise, Idaho, March 2008.

“Organisms and the History of Technology.” Society for the History of Technology, Washington, DC, October 2007.

“From Genesis to Genetics: The Evolution of Ideas about Origins of Dogs and Dog Breeds in Britain and the USA.” European Society for Environmental History, Amsterdam, June 2007.

- Presenter (representing *Environmental History*), “ESEH Posthumus Publishing Workshop.” European Society for Environmental History, Amsterdam, June 2007.
- “The Incredible Evolving Dog: Making an Animal Modern.” Society for the History of Technology, Las Vegas, October 2006.
- “Natural Knowledge: Roundtable on the Histories of Science and the Environment.” American Society for Environmental History, St. Paul, MN, March 2006.
- “Nicking the Thin Edge of the Wedge: What History Suggests about the Environmental Law of War.” Environmental Letters/Environmental Law Conference, University of Virginia Law School, 2005.
- Presenter, “Roundtable: At the Intersection of Environmental History and the History of Technology: Themes, Methods, and Directions.” Society for the History of Technology, Minneapolis, MN, November 2005.
- “Working Like a Dog: Harnessing Canine Energy in Nineteenth-Century Britain.” American Society for Environmental History, Houston, 2005.
- “Illegal Biotechnology: Lurchers and Poachers in Nineteenth-Century Britain.” Society for the History of Technology, Amsterdam, 2004.
- “Blood, Sweat, and Tears: Dogs as Gambling Technology in Nineteenth Century Britain.” American Society for Environmental History, Victoria, British Columbia, 2004.
- “From Tools to Toys: Dog Breeding in Victorian England and United States.” American Society for Environmental History, Denver, Colorado, 2002.
- “Waging War on the West Nile Virus: What the Past Tells Us about the Potential of History to Inform Present Policy.” European Society for Environmental History, St. Andrews, Scotland, 2001.
- “Getting Real: The Challenges of Using Written Products of Undergraduate Research to Achieve Multiple Educational Goals” (with Kathryn Neeley, Donald E. Brown, Michael E. Gorman, and William T. Scherer). American Society for Engineering Education, Albuquerque, New Mexico, 2001.
- “Genes and Machines (Or, Why We Need to Think about Evolution and Technology).” American Society for Environmental History, Durham, North Carolina, 2001.
- “Environmental History at the University of Virginia.” American Society for Engineering Education, Charlotte, North Carolina, 1999.
- “Prevention and Escalation: Chemical Arms Races against Communists and Insects during the Cold War.” Society for the History of Technology, Baltimore, 1998.
- “University-Wide Collaboration: The Committee on the History of Technology and Environment at the University of Virginia.” American Society for Engineering Education, Seattle, Washington, 1998.
- “From Front Halls to Front Pages: Rhetoric of Insecticides in the United States, 1920-1929.” International Congress of History of Science, Liege, Belgium, 1997.
- “Hot War in the Cold War: Mobilizing for Chemical Warfare on Human and Insect Enemies in the 1950s.” Organization of American Historians, San Francisco, California, 1997 (session organizer).
- “Continued Battle of the Home Front: Total War and Pest Control in the United States, 1945-1949.” American Society for Environmental History, Baltimore, Maryland, 1997 (session organizer).

- “Hands-On Ethics: Experiences with Cases in the Classroom” (with Julie M. Stocker). American Society for Engineering Education, Washington, DC, 1996 (session organizer).
- “Pollution to Risk: Regulatory Philosophies at the United States Environmental Protection Agency, 1970-1990.” American Society for Environmental History, Las Vegas, Nevada, 1995.
- “Food or Foe: Drawing Cultural Boundaries Around Locusts of the Great Plains.” American Studies Association, Nashville, Tennessee, 1994.
- “Swords and Plowshares: Chemical Weapons, Insecticides, and Environmental Change.” Society for the History of Technology, Washington, DC, 1993 (session organizer).
- “Atomic Bomb of the Insect World: Rachel Carson, Insecticides, and the Rhetoric of Risk.” Conference on “Danger, Risk, and Safety,” Hagley Museum, Wilmington, Delaware, 1993.
- “Safe for Whom? Safe for What? Testing Insecticides and Repellents in World War II,” American Society for Environmental History. Pittsburgh, Pennsylvania, 1993.
- “‘Warfare against the Insects’: Economic Entomology in the United States Department of Agriculture before World War II.” Society for Agriculture and Human Values, East Lansing, Michigan, 1992.

Conference Posters

- E. Gutyrchik, L. Smigielski, J. Blautzik, M. Reiser, E. Pöppel, and E. Russell, “What Does ‘Well-Making’ Environment Mean for the Brain? An fMRI Study.” European Brain and Behavior Society Meeting, Seville, Spain, September 2011.

Conference Sessions Chaired or Commented Upon

- Chair, “History and Biology: Doing History with Biology,” American Historical Association, New York, January 2015.
- Chair, “Pivots of History? Narratives of Change and Continuity in Disaster History,” American Society for Environmental History, San Francisco, March 2014.
- Chair, “The Differentiation between Useful and Companion Animals in Modern Germany,” European Society for Environmental History, Munich, Germany, August 2013.
- Chair, “Greening the Grim Fields: Land Restoration and the Environmental Legacies of War,” European Society for Environmental History, Munich, Germany, August 2013.
- Roundtable moderator, “Thinking Outside the Box: Interdisciplinary Approaches to Graduate School,” American Society for Environmental History, Toronto, April 2013.
- Chair, “Insects in Environmental History II: Pests and the Role of the State,” American Society for Environmental History, Madison, Wisconsin, March 2012.
- Chair, “Environmental Dreams,” Society for the History of Technology, Cleveland, Ohio, November 2011.
- Chair and Commenter, “The Instability of Technological Identities,” Society for the History of Technology, Pittsburgh, October 2009.
- Chair, “World War II and the Cold War in the US, Britain, and Czechoslovakia,” World Congress of Environmental History, Copenhagen, Denmark, August 2009.
- Chair, “Engineering Nature,” Society for the History of Technology, Lisbon, Portugal, October 2008.

- Chair, "Jumbo Crosses the Pond: The Multiple Meanings of Zoos in Europe and North America in the Late Nineteenth Century and Beyond." American Society for Environmental History, Boise, Idaho, March 2008.
- Chair, "Technology and the Environment" (workshop sponsored by National Science Foundation). Society for the History of Technology." Washington, DC, October 2007.
- Chair, "Blurring the Boundaries between the Natural and Unnatural (II): Designing Ecosystems." Society for the History of Technology, Washington, DC, October 2007.
- Chair, "Making a Knowledge Professional?" Society for the History of Technology, Las Vegas, October 2006.
- Commenter, "Compromise in Comparative Perspective: The Environment and Labor." Miller Center Fellows Conference, University of Virginia, May 2006.
- Chair, "Under the Microscope: Biology, Technology, and Society." Virginia Festival of the Book, Charlottesville, VA, March 2006.
- Chair and Commenter, "Environmental Policy." Society for the History of Technology, Atlanta, Georgia, 2003.
- Chair, "Postwar Development and Environmental History: The Overlapping Politics of Conservation and Preservation." Organization of American Historians, Washington, DC, 2002.
- Commenter, "Ecology and Technology." Society for the History of Technology, San Jose, California, 2001.
- Chair, "Teaching Environmental History: A Roundtable Discussion of Practical and Conceptual Issues." American Society for Environmental History, Durham, North Carolina, 2001.
- Chair, "Pioneering or Paying: Choices in Research and Development." Society for the History of Technology, Munich, Germany, 2000.
- Commenter, "Creating Technological Landscapes." Society for the History of Technology, Munich, Germany, 2000.
- Chair, "Biomedical Technology and Ethics I: Philosophical Perspectives on Choosing and Regulating Technology." Humanities and Technology Association, Charlottesville, Virginia, 2000.
- Commenter, "The Price of Commodification." University of Delaware Hagley Fellows Conference on Consumption and the Environment, Hagley Museum, Wilmington, Delaware, 2001.
- Chair, "Technology, Culture, and the Environment." Society for the History of Technology, Pasadena, California, 1997.
- Commenter, "Environmental Policy after Earth Day." American Society for Environmental History, Baltimore, Maryland, 1997.
- Moderator, "Ethics and Design: A Case Study Approach." American Society for Engineering Education, Washington, DC, 1996.
- Chair, "Envisioning Nature: The Politics of Observation." American Society for Environmental History, Las Vegas, Nevada, 1995.
- Commenter, "Environment." Society for Social Studies of Science, Charlottesville, Virginia, 1995.

Service to Department and School

- Member, Executive Committee, Department of History, Boston University, 2017-2018.
- Member, Teaching Awards Committee, Boston University, 2017.
- Member, Faculty Executive Committee, Department of History, University of Kansas, 2015-2017.
- Member, Development Committee, Department of History, University of Kansas, 2013-2014.
- Chair, Tenure and Promotion Review Committee, Department of History, 2013-2014.
- Director, University of Virginia Science and Technology Policy Internship Program, 2004-2009.
- Coordinator, Science and Technology Policy Minor, University of Virginia, 2005-2010.
- Member, Committee on Academic Standards, SEAS, University of Virginia, 2009-2011.
- Chair, Graduate Committee, Department of Science, Technology, and Society, University of Virginia, 2006.
- Coordinator, Senior Thesis Course Sequence (STS 401-402), School of Engineering and Applied Science, University of Virginia, 2003-2004.
- Chair, Senior Thesis Course Sequence (TCC 401-402) Advisory Committee, School of Engineering and Applied Science, University of Virginia, 2003-2004.
- Member, Graduate Affairs Committee, School of Engineering and Applied Science, University of Virginia, 2003-2004.
- Member then Chair, Engineering Business and Public Policy Minors Committee, School of Engineering and Applied Science, University of Virginia, 2003-2004
- Member, Search Committee for Olsson Chair in Ethics, University of Virginia, 2000-2001.
- Member, Search Committee for Chair of Division of Technology, Culture, and Communication, University of Virginia, 1999-2000.
- Chair, SEAS Common Reading Experience Committee, University of Virginia, 1999-2000; member, 1995-2001.
- Member, Teaching Effectiveness Committee, School of Engineering and Applied Science, University of Virginia, 1997-2001.
- Member, Outstanding Graduate Teaching Assistant Award Selection Committee, School of Engineering and Applied Science, University of Virginia, 1999, 2005.

Service to University

- Member, Scientific and Social Inquiry Satellite Committee on Boston University Hub Learning Outcomes, 2016.
- Chair, Honorary Degrees Committee, University of Kansas, 2015-present (member, 2013-2014).
- Chair, Five Year Review Committee, Institute for Policy and Social Research, 2014.
- Member, Steering Committee, Council of Distinguished Professors, University of Kansas, 2013-2016.
- Member, Faculty Implementation Committee for the University of Virginia Batten School for Leadership and Public Policy, 2007-2010.
- Member, Selection Committee, Miller Center Fellows, University of Virginia, 2004-2005.

Member, Advisory Committee, Forum for Contemporary Thought, University of Virginia, 2001-2004.

Co-director, Forum for Contemporary Thought, University of Virginia, 2000-2001.

Member, Advisory Committee, Program in Environmental Thought and Practice (previously Environmental Literacy Initiative), University of Virginia, 1999-present.

Member, Search Committee, Postdoctoral Fellow in the History of Technology and Environment, University of Virginia, 1997, 2001, 2004.

Member, Committee on the History of Technology and Environment, University of Virginia, 1997-present.

Member, Selection Committee, University of Virginia Teaching Fellows Award, 1997.

Member, Selection Committee, Phi Beta Kappa Book Award, University of Virginia, 1995.

Service to Profession

Vice President and President Elect, American Society for Environmental History, 2017-2019.

Vice President, American Historical Association, with responsibility for the Research Division, 2015-2017.

Co-chair, search committee, editor of *American Historical Review*, 2014-2016.

Member, Editorial Board, *Environmental History* (2013-2017)

Co-editor, Studies in Environment and History book series, Cambridge University Press (2012-2018).

Member, Executive Council, Society for the History of Technology, 2006-2009.

Chair, Search Committee for Secretary, Society for the History of Technology, 2007.

Chair and member, Edelstein Prize Committee, Society for the History of Technology, 2006-2008 (chair 2007).

Member, Da Vinci Prize Committee, Society for the History of Technology, 2007.

Member, Board of Editors, *Encyclopedia of American Environmental History*, 2005-2011.

Member, Advisory Board, *Technology and Culture*, 2001-2006.

Editor, Book Reviews, *Environmental History*, 2001-2005.

Member, United States National Committee for the International Union for the History and Philosophy of Science, 2001-2003.

Chair, Program Committee, American Society for Environmental History Meeting, Tucson, 1999.

Member, Local Arrangements Committee, Society for the History of Technology Meeting, 1995.

Courses Taught

HIEU 2559-502: Evolutionary History of Mediterranean Foods (undergraduate)
HIST/EVRN 103: Environment and History (undergraduate)
HIST 301: The Historian's Craft (undergraduate)
HIST/EVEN 347; HIST 280: North American Environmental History (undergraduate)
HIST 407: History of Science in the United States (undergraduate)
HIST 476: Technology in American Society (undergraduate)
HIST 696: Food in History (undergraduate)
HIST 720: History of Environment and Technology (graduate)
HIST 720: Environmental History of the United States and Britain (graduate)
HIST 723: Global Environmental History (graduate)
HIST 2559: Global Environmental History (undergraduate)
HIST 802: Research Seminar in History (graduate)
HIUS 702: Introductory Colloquium in American History (graduate)
STS 200: Nature and Technology in British History (undergraduate)
STS 206/HIUS 271: American Environmental History (undergraduate)
STS 101: Language Communication in the Technological Society (undergraduate)
STS 300/500: Science and Technology Policy for Interns (undergraduate/graduate)
STS 401: Western Technology and Culture (undergraduate)
STS 402/4600: The Engineer, Ethics, and Society (undergraduate)
STS 2500: Global Environmental History (undergraduate)
STS 4500: STS and Engineering Practice with global environmental history emphasis (undergraduate)
TCC 799: American Environmental History (graduate)

Graduate Students

Major Professor

Steven Davis, History, University of Kansas, co-chair with Jennifer Weber, dissertation on environmental history of U. S. Civil War, Ph.D. student.

Amber Roberts Graham, University of Kansas, co-chair with Luis Corteguera, dissertation on links between ideas of horsemanship and leadership in early modern Britain, Ph.D. completed, 2017. Policy Coordinator, Graduate Studies, University of Kansas.

Leif Fredrickson, History, University of Virginia, co-chair with Brian Balogh, "The Age of Lead: Metropolitan Change, Environmental Health, and Inner City Underdevelopment," Ph.D. completed 2017. Dissertation won the 2017 CGS/ProQuest Distinguished Dissertation Award in the Humanities and Fine Arts (awarded to one dissertation completed at any university in the United States or Canada) and the 2017 Michael Katz Award for the best dissertation in urban history from the Urban History Association.

Thomas Finger, History, University of Virginia, co-chair with Mark Thomas, "The Engines of Environmental Change: American Agriculture and British Industry, 1800-1900," Ph.D. completed 2015. Assistant professor, Department of History, Northern Arizona University.

Jaime Allison, History, University of Virginia, co-chair with Christian McMillen, "Sovereignty for Survival: American Energy Development and Indian Self-

- Determination,” Ph.D. completed 2013. Assistant professor, Christopher Newport University, Newport News, Virginia.
- Bartow Elmore, History, University of Virginia, co-chair with Grace Hale, "Citizen Coke: An Environmental and Political History of the Coca-Cola Company," Ph.D. completed 2012. Assistant professor, Department of History, Ohio State University.
- Laura Kolar, History, University of Virginia, co-chair with Brian Balogh, "Conserving the Country in Postwar America: Federal Conservation Policy from Eisenhower to Nixon," Ph.D. completed 2011. Historian, U. S. Department of State.
- Eric Stoykovich, History, University of Virginia, co-chair with Peter Onuf, "In the National Interest: Improving Domestic Animals and the Making of the United States, 1815-1870," completed Ph.D. 2009. Historical Manuscript Project Archivist, Special Collections and University Archives, University of Maryland.

Committee Member

- Charles Binkow, Boston University, dissertation on animals and environments in the U.S.
- Arhtur Kamyra, Boston University, dissertation on gender and capitalism.
- Alyssa Kreikemeier, Boston University, dissertation on air travel in the U.S.
- Elizabeth Hameeteman, Boston University, dissertation on water in the American West, Ph.D. student.
- Brian Rumsey, History, University of Kansas, dissertation on flooding and flood insurance, Ph.D. student.
- Angela Lindsey-Nunn, American Studies, University of Kansas, dissertation on epigenetics of trauma, Ph.D. student.
- Adam Sundberg, History, University of Kansas, "Floods, Worms, and Cattle Plague: Nature-induced Disaster at the Closing of the Dutch Golden Age, 1672-1764," Ph.D. completed 2015. Assistant professor, Creighton University, Omaha, Nebraska.
- Alex Boynton, History, University of Kansas, "Freedom, Tradition, Environmentalism?: Anti-Environmentalism and the Transformation of Conservative Thought in the 1970s," Ph.D. completed 2015.
- Joshua Nygren, History, University of Kansas, "Soil, Water, and the State: The Conservation-Industrial Complex and American Agriculture Since 1920," Ph.D. completed 2014. Assistant professor, Central Missouri State University.
- Stephen Macekura, History, University of Virginia, "Of Limits and Growth: Global Environmentalism and the Rise of "Sustainable Development" in the Twentieth Century," Ph.D. completed 2013. Assistant professor, Indiana University.
- Evelyn Krache Morris, History, Georgetown University, "Into the Wind: The Kennedy Administration and the Use of Chemicals in Vietnam," Ph.D. completed 2012. Postdoctoral fellow, Harvard.
- Katherine Tully, Environmental Sciences, University of Virginia, "The Effects of Management and Canopy Tree Functional Type on Nutrient Pools, Retention, and Loss from Coffee Agroforestry Systems in Costa Rica," Ph.D. completed 2011.
- Philip Herrington, History, University of Virginia, "The Exceptional Plantation: Slavery, Agricultural Reform, and the Creation of an American Landscape, 1837-1864,"

Ph.D. completed 2012. Assistant professor of history, James Madison University).

Kathryn Shively Meier, History, University of Virginia, "No Place for the Sick": Nature's War on Civil War Soldier Health in 1862 Virginia," Ph.D. completed 2010.

Assistant professor of history, Virginia Commonwealth University.

Adam Dean, History, University of Virginia, "An Agrarian Republic: How Conflict over Land Use Shaped the Civil War and Reconstruction," Ph.D. completed 2010.

Assistant professor of history, Lynchburg College.

Dolores Jorgensen, History, University of Virginia, "Private Need, Public Order: Urban Sanitation in Late Medieval England and Scandinavia," Ph.D. completed 2008.

Project Coordinator/Researcher, Department of Ecology & Environmental Science, Umeå University, Sweden.

Patrick Roberts, Politics, University of Virginia, "Crises as Opportunity: Innovation in Federal Homeland Security Agencies, 1946-2004," Ph.D. completed 2006 .

Associate professor, Center for Public Administration and Policy, Virginia Tech.

Peter Norton, History, University of Virginia, "Fighting Traffic: The Dawn of the Motor Age in the American City," Ph.D. completed 2002. Associate professor of

Science, Technology, and Society, University of Virginia.

Paul Milazzo, History, University of Virginia, "Legislating the Solution to Pollution: Congress and the Development of Water Pollution Control Policy, 1945-1972,"

Ph.D. completed 2001. Associate professor of history, Ohio University.

Advisor for University of Virginia Miller Center Dissertation Fellows

Francesca Russello Ammon, Yale, 2010-2011. Assistant professor of city planning, University of Pennsylvania.

Shane Hamilton, MIT, 2004-2005. Associate professor of history, University of Georgia).

Sarah Phillips, Boston University, 2000-2001. Associate professor of history, Boston University.
