Occasionally the children are given the opportunity to walk with the teachers on campus field trips and to Schenley Park. The children can also have the opportunity to play in our wading pools on the playground. Wading pool ratios are one adult for five children. Since we spend most of our day outside, you may want to apply sunscreen to your child at home. “Families may provide a non-aerosol sunscreen for their child at school, along with written permission and instructions for applying the sunscreen. The sunscreen must be labeled with the child’s first and last name. We are not permitted to use a product that combines sunscreen and insect repellant (NAEYC 5.A.07).”

________________________ has permission to accompany the staff and students of the Children’s School on walking field trips and play in the wading pools as planned by the staff for the June 2018 Camp. I also plan to provide sunscreen and give the Children’s School Staff permission to administer sunscreen to my child.
