Carnegie Mellon University
Dietrich College of Humanities
and Social Sciences

Good Courses for Exploring English

- 76-271 Introduction to Professional and Technical Writing
- 76-211 Books You Should Have Read by Now
- Any "Survey of Forms" courses

Internship Opportunities

Students have secured internships at many organizations and companies, like:

- City of Asylum
- Discovery Theatre- Washington, D.C.
- Breakthrough Santa Fe
- University of Geneva
- W.W. Norton & Company Publishing

What Our Graduates Are Doing Now:

Some are continuing their education in graduate programs at top institutions, including:

- Columbia University
- Art Institute of Chicago
- Johns Hopkins University
- University of Pittsburgh

Others are working for companies such as:

- Apple
- Google
- Microsoft
- Salesforce
- Time Warner
- Oracle
- Hewlett Packard
- Fulbright
- Paramount Studios

Fun Fact!

Creative Writing students have their own lounge that resembles a cozy library.
