WHAT IS THE PITTSBURGH SUMMER INTERNSHIP PROGRAM?

Commonly referred to as PSIP, the program provides support and resources to Dietrich College undergraduate students as they complete their first internship experience at a non-profit, start-up or small business in the Pittsburgh area. The program assists students who have limited professional experience by helping with applications, offering ongoing career workshops and vetting host sites to ensure direct mentorship and supervision.

Interns complete 175-200 hours of work at a Pittsburgh organization and receive a $3,000 stipend.
