FAQs (FREQUENTLY ASKED QUESTIONS):

Who do I contact if I have a medical diagnosis that may require a special meal accommodation (i.e. food allergies)?

Medical or special needs to alter this agreement must first be evaluated by University Health Services. To begin this process, please complete the [Special Dining Needs Form and return to University Health Services](#). For more information, visit cmu.edu/health-services.

What's the difference between FLEXible Spending dollars (FLEX) and the DineXtra declining balance program?

FLEX dollars come as part of the dining plan you purchase, and expire on the last active day of the dining plan in spring semester. DineXtra can be purchased in addition to a Traditional Dining Plan or alone, and it offers a 1% bonus per \$100 deposit, up to 10%. DineXtra purchased is available through the last active date of the dining plan in the spring semester. Any unused funds expire at that time. DineXtra may also be purchased during the summer. FLEX and DineXtra funds may be spent in any amount and at any [Dining Services location](#) and [off-campus partner location](#). It's easy to add DineXtra to your student account using the [GET Funds](#) website or app. Parents are also able to deposit DineXtra funds into their student's account.

How Do I Use My Traditional Dining Plan?
