What's the difference between FLEXible Spending dollars (FLEX) and the DineXtra declining balance program?

FLEX dollars come as part of the dining plan you purchase, and expire on the last active day of the dining plan in the fall and spring semesters. DineXtra can be purchased in addition to a Traditional Dining Plan or alone, and it offers a 1% bonus per \$100 deposit, up to 10%. DineXtra purchased during the academic year is available through the last active date of the dining plan in the spring semester. Any unused funds expire at that time. DineXtra may also be purchased during the summer. FLEX and DineXtra funds may be spent in any amount and at any [Dining Services location](#) and [off-campus partner location](#). It's easy to add DineXtra to your student account using the [GET Funds](#) website or app. Parents are also able to deposit DineXtra funds into their student's account.

How do I use my Dining Plan?

Traditional Dining Plans, FLEX and the DineXtra declining balance program are encoded on the Carnegie Mellon ID card. If your Carnegie Mellon ID card is lost or stolen, immediately contact ID Card Services at 412-268-5224 (after hours, contact University Police at 412-268-2323). Carnegie Mellon is not responsible for any funds expended or the use of any lost or stolen cards. What mobile ordering platform is available to use?
