Volunteers Needed!

Environmental Health & Safety (EH&S) is seeking motivated individuals to serve as Floor Marshals.

Serve your campus community by:

- Taking part in Floor Marshal training provided by EH&S staff.
- Participating in Fire and Emergency Evacuation Drills.
- Assisting with evacuating staff, faculty and students to the pre-designated Emergency Assembly Points (EAP).
- Assisting the University Police and emergency response personnel in preventing re-entry until the building has been deemed safe.
- Reporting injured persons or those unable to self-rescue to emergency responders.
- Providing other assistance as needed.
- Participating in provided continuing education & training.
