Persuasion Installation

Room 107, Margaret Morrison Hall

Persuasion is an important skill for everyone to have—both in practice, and in professional situations. Understanding what persuades you and others—how we are influenced by other people, by media, by our environment, by design—is a crucial reflective skill to develop in better understanding yourself, those around you, and more widely, society. This exhibition seeks to explore different aspects of persuasion in our daily lives. Learn more: <http://persuasion.imaginari.es/>
