

**Carnegie Mellon University**  
Materials Science & Engineering

*presents*

## **Introduction to the CMU Libraries**

*Dr. Neelam Bharti, Ph.D.  
Chemical Sciences & Engineering Librarian  
Carnegie Mellon University Libraries  
Mellon Institute Library*

### **ABSTRACT:**

In her presentation, Neelam will focus on services offered at the CMU Libraries, how to search research databases, how to find scholarly information such as books, journal articles, standards, and other resources. This presentation will also include Open Access publications and workshops offered through libraries.

### **BIOGRAPHY:**

Dr. Neelam Bharti is a Senior Librarian at the Carnegie Mellon University Libraries. Neelam serves as a liaison to Chemical Sciences and Engineering departments and is involved in libraries teaching and Open Access initiatives. Neelam has a Ph.D. in bio-organic chemistry and is actively engaged in teaching chemical literacy, research strategy, responsible conduct in research, and 3D printing technology in the library and the community.

**CMU Remote, 12:00 pm  
Friday, September 11, 2020**
