<p><b>Addtn'l Team Members:</b>            Ray Mizgorski,            Pattye Stragar,            Jordan Bender,            Kelly Saavedra            Alice Duan            Richelle Bernazzoli            Nicole Shi</p>	<p><b>Addtn'l Team Members</b>            Ray Mizgorski,            Nina Baird,            Marty Altschul,            Jenn Rogers,            Attila Csokai,            Karen Brooks,            Steve Guenther            Jan Held</p>	<p><b>Addtn'l Team Members</b>            Brian Lee,            Mike Frenak,            Ray Mizgorski,            Jordan Bender,            Dave Dzombak,            Marty Altschul</p>	<p><b>Addtn'l Team Members</b>            Jordan Bender,            Marty Altschul,            Anna Siefken,            Mario Berges,            Ashwin Balaji            Jan Held            Neil Donahue            Chris Conroy</p>	<p><b>Addtn'l Team Members</b>            Brian Lee,            Alice Duan,            Pattye Stragar,            Nina Baird,            Jocelyn Gao,            Marcia Gerwig,            Jan Held</p>

**2018 Green Practices Committee Goals & Teams (10 Goals)**  
**9-24-2018**

<b>Goal 6</b> <b>Energy Action Plan</b>	<b>Goal 7</b> <b>GHG Resolution and Reduction Plan</b>	<b>Goal 8</b> <b>Water Action Plan</b>	<b>Goal 9</b> <b>Spring Carnival Sustainability Judging</b>	<b>Goal 10</b> <b>Zero Waste Campus Vendors</b>
<p>Draft a campus Energy Action Plan, with at least a good draft by the end of 2018. Ideally, students can be involved in collecting and analyzing existing examples via class projects and/or independent study.</p>	<p>Develop and pass a campus GHG resolution. Before or after this, draft a campus GHG reduction plan with specific goals and target dates. Although these are often part of a campus energy plan, there are additional ways to reduce GHGs that might warrant a separate plan. Ideally, students can be involved in collecting and analyzing existing examples via class projects and/or independent study.</p>	<p>Draft a campus Water Action Plan, with at least a good draft by the end of 2018. Ideally, students can be involved in collecting and analyzing existing examples via class projects and/or independent study.</p>	<p>Add post-construction Carnival Booth self-assessment and judges' feedback step to Carnival sustainability judging</p>	<p>Increase number of campus vendors who move toward zero waste operations.</p>
