

reduce paper waste

did you know?

17 trees make 1 ton of paper

Save Paper
Save Trees

1. Use both sides of the paper
2. Go digital - read, send and store documents
3. Be selective about what you print
4. Reach for the right size paper
5. Use efficient formatting, fit it on one page
6. Purchase 30 -100% recycled content paper
7. Recycle

scotty saves trees.
