

All But Dissertation Status Agreement

This form is for doctoral students requesting to **declare** All But Dissertation status, which should take place once they have fulfilled all degree requirements with only the dissertation left to complete. Students may choose to complete their dissertation in either *In Residence* or *In Absentia* status. This form should be completed electronically to ensure all fields are clearly legible and must be submitted by the semester course add deadline.

Important: In most cases, All But Dissertation *In Absentia* status is not permissible for international students. International students considering this option are required to consult their home department and the Office of International Education (OIE) to determine if they qualify.
