| <p><i>This list is comprised of both central and some(not all) department controlled teaching spaces (classrooms, labs, studios, conference rooms). These spaces have been reviewed by CDFD/FMCS. Teaching spaces that will be assigned by the university registrar's office are indicated under the scheduling owner as CENTRAL. The S22 capacity represents <u>near</u> 100% capacity for student seats and reflects the same capacity in S3 for course meeting spaces and registration max sizes.</i></p> <p><i>All teaching spaces must be reviewed by CDFD/FMCS <u>regardless</u> of ownership. Teaching spaces not on this list may be assignable in S3. To add a teaching space for capacity evaluation, please contact Joy Cavaliero <js81@andrew.cmu.edu>.</i></p> | | | | | | | |
