

Release #101 included modifications to Student Information Online (SIO) to allow students to convert Spring 2020 semester-length and mini-4 course final grades to pass/no pass during the Special Pass/No Pass Election Period.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Cross-Cutting

- As part of the COVID-19 campus response, made modifications to SIO to allow all undergraduate and graduate students to convert Spring 2020 semester-length and mini-4 courses, final grade to pass/no pass during the Special Pass/No Pass Election Period.
- As part of the COVID-19 campus response, increased the address field lengths for the diploma mailing addresses.

Admission

- Fixed a broken link in the “Where am I in the Process” app for admitted students.

Student Accounts

- Updated the student account profile to display the date a student accepted their Student Financial Obligation through SIO.

Coming in the Next Six Months...

- The next phase of the MyCommunity project continues, which includes:
 - A wider range of advisor roles will be able to be assigned to students, such as First Year Advisor and Faculty Advisor
 - The ability for S3 users to assign, update, and remove advisors via a CSV upload
