

Release #112 included, as part of ongoing redesign work, an update to SIO's (Student Information Online) "My Info" page that introduced a modernized look and feel. In addition to a new look to better reflect CMU's brand, there is now a tab structure for easier navigation, a larger ID photo, and updated icons.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Cross-Cutting

- As part of ongoing application redesign work, updated Student Information Online's (SIO) My Info pages, introducing a modernized look and feel that better reflects Carnegie Mellon University's brand
 - Implemented a tab structure for easier navigation, a larger ID photo, and updated icons on the new My Info pages.
 - Moved information previously located in side "tips" to "i-circles" throughout related tabs on the new My Info pages.
 - Increased ADA compliance both in the new My Info pages as well as other pages in SIO.
- Improved behavior when a registration attempt is unsuccessful for My Plaid Student or Where Am I in the Process

Admission

- Modified Waiting List reply information to include Electrical and Computer Engineering

Coming in the next six months to one year...

- Continued additions and changes in the S3 Suite to support the university's response to COVID-19
- Modifications to the Student Drop Voucher process to incorporate recent policy changes
- The ability to assign a wider range of advisor roles to students, such as First Year Advisor and Faculty Advisor
