

STUDENT SERVICES SUITE – SUMMARY OF RELEASE #116

July 1, 2021

Release #116 included changes to the S3 suite to accommodate the new student health insurance provider for 2021-2022, and various improvements to Student Information Online (SIO) to make it more accessible for all users.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Cross-Cutting

- Fixed an issue in Student Information Online (SIO) that prevented students from being able to print their grade report for a semester with no grades entered
- Completed work to make new health insurance provider information for 2021-2022 available in the S3 Suite of applications
- Continued improvements to SIO to make it more accessible for all users

Coming in the next six months to one year...

- Continued additions and changes in the S3 Suite to support the university's response to COVID-19
- Modifications to the Voucher process to incorporate recent policy changes
- The ability to assign a wider range of advisor roles to students, such as First Year Advisor and Faculty Advisor
