STUDENT SERVICES SUITE – SUMMARY OF RELEASE #122   January 6, 2022

Release #122 modified the S3 Suite to accommodate student records of those who are pursuing certificates offered by the Integrated Innovation Institute (iii) and introduced a new option for individuals who register as users of 'My Plaid Student' or 'Where Am I in the Process?'.

New users are encouraged to review the S3 QuickStart Guide and the Web Tutorial section for basic instructions.

Release Highlights

Cross-Cutting
- Introduced a new option, 'Friends of CMU', for individuals who register as a user of 'My Plaid Student' that allows them to register without needing to use or create a Facebook, LinkedIn, or Gmail account.
- To maintain system security, performed upgrades to a logging utility used by the S3 Suite.

Admission
- Modified certain automatically generated email content with up-to-date instructions and URL information.
- Introduced a new option, 'Friends of CMU', for applicants to use when registering for 'Where Am I in the Process?', that allows them to register without needing to use or create a Facebook, LinkedIn, or Gmail account.

Student Accounts
- Added messaging in S3 to highlight when a student has pending transactions on their account.

University Registrar Office
- Modified the logic and behavior on four S3 screens and two batch processes to accommodate student records of those who are pursuing certificates offered by the Integrated Innovation Institute (iii).

Coming in the Next Six Months…

- An updated S3 Admin Console header
- Required changes to meet updated NACHA regulations
- Expanded functionality for Undergraduate Admission due to new types of tests being accepted by the university and changes to score requirements
- The ability for S3 users to assign, update, and remove advisors via a CSV upload
