

STUDENT SERVICES SUITE – SUMMARY OF RELEASE #125

March 17, 2022

Release #125 implemented new functionality via an external partner integration that adds bank account validation to both My Plaid Student (MPS) and Student Information Online (SIO). This is done, in part, to comply with updated NACHA regulations.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Student Accounts

- Implemented new functionality via an external partner integration that adds bank account validation to both My Plaid Student (MPS) and Student Information Online (SIO) when the user adds a new bank account. This is done, in part, to comply with updated NACHA regulations

Admission

- Fixed a formatting issue impacting several categories of decision letters
- Continued updates to the applicant portal to ensure seamless navigation to the new undergraduate admission webpages

Registrar

- Updated the Request Verification process to reflect more accurately the options available in the S3 Admin Console (S3) and SIO

Coming in the Next Six Months...

- Expanded functionality for Undergraduate Admission due to new types of tests being accepted by the university and changes to score requirements
- The ability for S3 users to assign, update, and remove advisors via a CSV upload
