STUDENT SERVICES SUITE – SUMMARY OF RELEASE #133   December 8, 2022

> Release #133 introduced new functionality, to be used by a student if they are the instructor of a course-section, that will display the student-instructor's preferred name as the instructor name, when that is the student's preference.
>
> New users are encouraged to review the S3 QuickStart Guide and the Web Tutorial section for basic instructions.

Release Highlights

Cross Cutting

- Continued work on making Student Information Online (SIO) more accessible to all

Undergraduate Admission

- Recategorized reporting of Pacific Islander applicants

Student Financial Services

- Introduced functionality that allows non-U.S. bank accounts to be viewed in S3
- Made minor word changes in SIO to clarify that only U.S. bank accounts may be used for payments

Registrar

- Introduced new functionality, to be used by a student if they are the instructor of a course-section, that will display the student-instructor's preferred name as the instructor name, when that is the student's preference

Coming in the Next Six Months…

- The ability for Students Accounts staff to submit refunds to Qatar students' non-U.S. bank accounts
- The ability for students to have more than one academic affiliation
