Carnegie Mellon University

S3 ADMIN CONSOLE

STUDENT SERVICES SUITE – SUMMARY OF RELEASE #138   June 1, 2023

Release #138 introduced new functionality in S3 Admin Console that enables The HUB to generate a photo roster on-demand from a list of Andrew IDs.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Cross-Cutting

- Introduced new functionality in S3 Admin Console that enables The HUB to generate a photo roster on-demand from a list of Andrew IDs
- Continued implementation of a new hierarchy that will prevent certain PII from being overwritten
