STUDENT SERVICES SUITE – SUMMARY OF RELEASE #14   March 8, 2013

> Release #14 introduced interactive Student Health Services forms into SIO.
>
> New users are encouraged to reference the S3 QuickStart Guide and the Web Tutorial section for basic "how to" instructions.

Release Highlights

Student Information Online (SIO)

- o   Student Medical Insurance Waiver form
- o   Student Medical, Dental, and Vision Insurance Enrollment form
- o   Improved text on the Meal Plan page to eliminate confusion for Pre-College students

S3 Admin Console

- Student: Academic Records
  - o   An icon displays on the Family & Friends page to designate the Emergency Contact:
  - o   Default grades will not display on Semester: Grades & QPA when a final grade is listed
  - o   Students will be more evenly distributed across registration start times for future semesters
  - o   When a course is Allocate Seats = No, students who meet the reservation can register or waitlist themselves, but students who do *not* meet the reservation will be prevented from registering for the course and adding themselves to the waitlist.
- Prospect: Admission
  - o   Improvements to the pre-college page and address display

Related Functionality Not Yet Released

- Use the QuickSearch box to view a different student/course while remaining on the same page
- Student Health Services Insurance transaction processing
- Request Student Transcripts
- Student screens: SIO Admin features such as Unofficial Academic Record

Coming in the Next Six Months…

- Add and update Course and Section information
- Addition of "Tips for MAC users" and "Tips for PC users" to the collection of resources for S3
- Continued development and screen enhancements for the Registrar's Office, Student Accounts, and the Office of Undergraduate Admission
