

STUDENT SERVICES SUITE – SUMMARY OF RELEASE #140

August 17, 2023

Release #140 introduced new functionality in S3 that enables the Student Accounts Office to release electronic refunds to students with Qatar bank accounts. It also introduced functionality that enables Qatar staff to manage and report on student Qatar National ID information.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Cross-Cutting

- Improved S3 so that if a space is included before or after the text entered in the quicksearch field, the search will no longer fail for the user
- Continued work to make Student Information Online (SIO) more accessible to all

Student Accounts

- Introduced new functionality in S3 that enables the Student Accounts Office to release electronic refunds to students with Qatar bank accounts
- Introduced functionality that enables Qatar staff to manage and report on student Qatar National ID information
