

Release #76 introduced new features for Academic Advisors.

New users are encouraged to reference the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic “how to” instructions.

## Release Highlights

---

As discussed at the Fall 2017 Community/Advisor workshop:

- **FFP Feature Item:** An Advising Roster screen that will allow Academic Advisors to view their advisees in S3, found under the Campus Life tab. Advisors can customize their view by choosing which data columns to display.

## Coming in the Next Six Months...

---

- Feature work will include increased efficiencies in the student record creation process and additional functionality and information for Course Profiles.
- Continued new development and screen enhancements for the Office of Undergraduate Admission, Student Accounts Office, and the University Registrar’s Office.
- Development is underway to bring mobile-friendly functionality to Student Information Online (SIO) later this year.
