

Release #80 incorporates the confidentiality agreement incorporated into the Admin Console, streamlining the provisioning process for new users and allowing for annual renewals.

This release also includes new features for My Plaid Student users, The Students Accounts Office, and academic users.

Release Highlights

Cross-Cutting

- **Confidentiality:** The Confidentiality agreement is added to the S3 Admin Console, retiring the paper process. New users will be prompted for their agreement to the statements before accessing the S3 Admin Console for the first time. The feature also allows for annual renewals of the agreement

Student Accounts

- **FFP Feature Item:** My Plaid Student: Added view 1098-T, new confirmation email for electronic payments, and transaction history on the Bank Account screen
- Added the ability for Student Accounts staff to access a student's 1098-T

Registrar's Office

- **FFP Feature Item:** Added new functionality to the Graduation Management Screen: The ability to download a csv roster and bulk email students
- **FFP Feature Item:** Added new functionality to the Advising Roster: The ability to download a csv roster and photo roster, to bulk email students, and to access each student's Stellic page with a link from the roster
- **FFP Feature item:** Added the ability to sort columns on a student's Wait/Drop/Withdrawn courses screen.
- **FFP Feature Item:** Improved the Course: Waitlist Management screen by removing the 25-students-per-page limit and adding the ability to remember the previous sort on the page
- Added graduate students to the Stellic application
- **FFP Feature Item:** Updated the course evaluation hyperlinks in S3 and SIO to be course-specific

Student Affairs

- **FFP Feature Item:** On the Athletic Roster: Enhanced the data displayed for each student's QPA
- **FFP Feature Item:** On the Greek Roster: Enhanced the data displayed for each student's QPA, added download csv functionality, as well as the ability to view & update chapter status and roles

Coming in the Next Six Months...

- Ability to add Multiple Advisors to a student's major and also assign academic advisors to additional majors and minors.
- Continued new development and screen enhancements for the Office of Undergraduate Admission, Student Accounts Office, and the University Registrar's Office.
- Development is underway to bring mobile-friendly functionality to Student Information Online (SIO) later this year.
