

Release #94 included the first phase of the My Community work, involving a complete redesign of the SIO home page and important contacts, plus new headers and footers throughout. The new design is a clean, modern, streamlined update to the 10 year old application. It also includes more ADA-compliant features and the ability for expanded advisor assignments to be displayed in the future.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Cross-Cutting

- **Feature Item:** New SIO redesign
 - Clean, modern design throughout the application with a redesigned header and footer and larger font
 - The new home page includes links for new or returning student information
 - New Contacts page displays advisors with an easy-to-read format
 - Explanations for each advisor-type to make it easier for students to understand who to contact for assistance
 - More ADA-compliant

Admission

- **FFP Feature Item:** Implemented new permissions and functionality to ensure the objectivity of readers

University Registrar Office

- Fixed an issue where some students were receiving more than one email when assigned certain AP credit

Coming in the Next Six Months...

- The first phase of the My Community project continues, which will include:
 - A wider range of advisor roles will be able to be assigned to students, such as First Year Advisor and Faculty Advisor
 - The ability for S3 users to bulk-assign, update, and remove advisors
 - Modifications to the Advising Roster to include the new advising roles
 - A remodeled S3 Student Summary page
