

Release #95 continued the first phase of the MyCommunity work, with additional improvements to SIO. Students may now easily view and email their instructors directly from their SIO Contacts page. A ScheduleOnce pilot program is also starting, allowing students to request an appointment with their various important contacts directly from the Contacts page.

New users are encouraged to review the [S3 QuickStart Guide](#) and the [Web Tutorial](#) section for basic instructions.

Release Highlights

Cross-Cutting

- **Feature Item:** Continued SIO updates
 - Instructors added to Contacts page
 - Students may now easily view and email their instructors from within SIO
