

Purpose of this Form: To be used when an employee receives a non-cash gift greater than \$100 USD and any cash gift, including gift certificates/cards (regardless of the dollar amount). Gifts provided to employees must be included in the employees' income and are subject to federal, state, and local income tax withholding and social security/medicare taxes.

Notes:

- This form does not generate a cash gift or payment to employees.
- Attach this form to the backup for the Expense Report (ER)/Procurement Card (PRC) transaction in Oracle. Do not send this form to the CMUWorks Service Center until the ER/PRC is submitted through Oracle.
- Employees without an active assignment or employment record will be automatically grossed-up for FICA tax or any other required tax withholding purposes. If you would like to submit a gross-up request, add the request and necessary charging instructions to the email when submitting this form.
- For more information on the university gift taxation policy, visit the [Taxation gift page](#).
