Emergency Medical and Travel Assistance

You now have access to the emergency medical and travel assistance program through your Highmark Carnegie Mellon University Student Health Insurance Plan. This program offers you a broad range of worldwide assistance services 24 hours a day, 365 days a year provided by AXA Assistance USA, Inc. With one simple phone call to our service center, you will be connected to a global network of providers while traveling away from home.

Key Travel Services

Medical and Dental Referrals
With a worldwide network of providers at our fingertips, we are able to offer you referrals to primary care physicians, dentists, clinics and hospitals.

Medical Monitoring
During your hospitalization, our medical professionals will remain in regular communication with the treating facility to ensure you are receiving the proper care.

Emergency Evacuation
Whenever adequate medical facilities are not available locally, our medical professionals will recommend and arrange the appropriate method of transportation, equipment and personnel to evacuate you to the nearest facility capable of providing proper care.

Medical Repatriation
If you need medical assistance to return home, our medical professionals will determine the appropriate transportation method and assist with all necessary travel arrangements based upon your medical condition.

Return of Mortal Remains
We will arrange the transportation and offer every reasonable assistance for the return of mortal remains to the primary residence.

Transportation of Travel Companion
If you need to be evacuated or repatriated, we will coordinate all arrangements for a family member or companion to join you.

Transportation to Join Patient
If you are traveling alone and expected to be hospitalized for more than seven days, we will provide round-trip common carrier transportation to the place of hospitalization and accommodations for a designated family member or companion.

Return of Minor Children
If a minor child is left unattended as a result of an accident or illness, we will provide transportation, with attendants if required, to return home.

Vaccination Recommendations
We will provide up-to-date information on health hazards where you are planning to travel and recommend vaccinations or medications that you should receive prior to traveling.

Dispatch of Physician
If our medical professionals can not adequately assess the need for medical transport or evacuation, we will dispatch a physician to your location to make an assessment.

Dispatch of Prescription Medication
If you forget or lose a prescribed medication, we will assist with replacement medication. If the medication is not available locally, we will coordinate the dispatch of prescription medication, when possible and legally permissible, or provide you with an appointment with a physician in order to re-establish the prescription. This service is also available for medical devices and eyeglasses.

Lost Document and Lost Article Assistance
We will assist with arrangements to replace or forward copies of lost or stolen documents, including passports, driver’s licenses and credit cards, as well as assist with procedures to file loss reports and to recover lost or stolen articles such as luggage.

Urgent Message Relay
We will relay emergency messages on your behalf.

Emergency Cash and Bail Assistance
If your wallet is stolen, we can help arrange an emergency cash advance. This service can also provide assistance in obtaining bail bonds, where available.

Legal Referrals
We will provide referrals to an interpreter or legal personnel to you as necessary.

Telephone Interpretation Services
We will provide emergency telephone interpretation services by our multi-lingual staff and international correspondents.

General Travel Information
Before you travel, you can obtain information about visa, passport, immunization requirements and local customs. You can also obtain 24-hour pre-departure information on local weather, currency or holidays.

Exclusions
In addition to any exclusion required by law, benefits will not be paid for any Covered Injury, Loss or Expense that is caused by or results from:

1. Intentionally self-inflicted injury, suicide, or any attempt while sane or insane.
2. Commission or attempt to commit a felony or an assault.
3. Declared or undeclared war or any act of declared or undeclared war unless specifically provided by the Policy.
4. A Covered Accident or Emergency Sickness that occurs while on active duty service in the military, naval or air force of any country or international organization. Upon AXA’s receipt of proof of service by the Eligible Person, AXA will refund any fees paid for this time to the Company. Reserve or National Guard active duty training is not excluded unless it extends beyond 31 days.
5. Flight in, boarding or alighting from, an Aircraft or any craft designed to fly above the Earth’s surface: a. except as a fare-paying passenger on a regularly scheduled commercial airline; b. being flown by the Eligible Person or in which the Eligible Person is a member of the crew; c. being used for: i. crop dusting, spraying or seeding, giving and receiving flying instruction, firefighting, sky writing, sky diving or hang-gliding, pipeline or power line inspection, aerial photography or exploration, racing, endurance tests, stunt or acrobatic flying; or ii. any operation that requires a special permit from the FAA, even if it is granted (this does not apply if the permit is required only because of the territory flown over or landed on); d. designed for flight above or beyond the earth’s atmosphere: e. including a glider; f. being used for the purpose of parachuting or skydiving; g. being used by any military authority, except an Aircraft used by the air mobility command or its foreign equivalent. 6. Travel in any Aircraft owned, leased, operated or controlled by the Company, or any of its subsidiaries or affiliates. An Aircraft will be deemed to be “controlled” by the Company if the Aircraft may be used as the Company wishes for more than 10 straight days, or more than 15 days in any year. 7. Sickness, disease, bodily or mental infirmity, bacterial or viral infection or medical or surgical treatment thereof, (including exposure, whether or not Accidental, to viral, bacterial or chemical agents) whether the loss results directly or indirectly from the treatment except for any bacterial infection resulting from an Accidental external cut or wound or Accidental ingestion of contaminated food.

In addition, benefits will not be paid for services or treatment rendered by any person who is: employed or retained by the Company; living in the Eligible Person’s household; an Immediate Family Member of either the Eligible Person or the Eligible Person’s Spouse or Domestic Partner.
