☐ ADA Room—Non-Retainable Agreement

By signing this form, I understand the following:

- I have been notified that my current or upcoming room assignment __________________________
  is a designated ADA (American’s with Disabilities Act) room that is designated for students with
  special needs.

- I am permitted to retain or select this room at this current time, but understand that at any time I may
  be re-assigned to a new space elsewhere in the university housing system in order to accommodate a
  student with special needs or at the sole discretion of Housing Services. My new housing assignment
  will be based on available spaces at that time.

- This room is not retainable during Room Selection __________.

☐ Gender Neutral Housing—Financial Responsibility Agreement

(The Gender Neutral Housing option available only in Fairfax, Neville, Shady Oak, and Webster Apartments.)

By signing this form, I acknowledge that I am selecting an apartment that will be designated as Gender
Neutral, which means that other residents of the opposite gender are selecting this space with me.

I understand that selecting a Gender Neutral housing assignments comes with significant financial
responsibility. I understand that if one of my roommates leaves the university, cancels his or her
contract, or chooses to move to a different space within university housing, I/we am/are responsible for
pulling-in a roommate to fill the vacancy. If we do not fill the vacancy with a pull-in, I, and any remain-
ing roommates, am/are responsible for the full cost of that vacant space. In the event that the remaining
residents are both of the same gender, we can opt to have the apartment converted back to a single-
gender apartment and Housing Services will assign a new roommate to the vacancy.

I understand that under no circumstances will Housing Services assign a roommate to an apartment that
is designated as Gender Neutral—these vacancies can only be filled by pull-ins.
