

# Tuition Benefit Program with KinderCare

Save 10% on tuition at over 1,500  
KinderCare Learning Centers  
across the country.

As part of your family care benefits through Care@Work, we offer a tuition benefit program in partnership with KinderCare Learning Centers. You can save 10% on full-time, part-time, and drop-in tuition for children ages six weeks to 12 years at most KinderCare Learning Centers or Champions before and after-school sites nationwide. Proof of employment at your company is required. This offer is available to new families as well as those already enrolled in a participating center.

## Can the savings be combined with other offers, such as sibling discounts?

Only one recurring tuition benefit may be applied to a family's account. Families who qualify for more than one tuition benefit offer will be allowed to choose the best one for them. Some restrictions apply, speak with the Center Director for details.

## What education levels does KinderCare Learning Centers require their teachers to have?

All KinderCare teachers either meet or exceed the teaching requirements set by the National Association for the Education of Young Children (NAEYC).
