## **Carnegie Mellon University Resources**

Generally, families will use an agency to help them select an au pair. But staff, faculty and graduate students who are eligible for <u>Care for Business</u> family care benefits can search for an au pair through this platform. The au pairs listed on the Care for Business site are primarily associated with GreatAuPair USA or Go Au Pair. To use Care for Business to search for an au pair:

- 1. From the homepage, scroll down to "Find your right caregiver."
- 2. Select "child care," and then "Search local caregivers."
- 3. At the top left of the page, there will be a bar that says "Find Caregivers" and provides a zip code and search radius filtering option. Select the down arrow next to "Find Caregivers" to see other search options, including au pairs.

Additionally, Au Pair in America also offers a <u>5% discount program</u> to Carnegie Mellon University employees.
