

Managing in a Hybrid Workplace

Great Leaders Lead From Anywhere

Hybrid/Virtual work is our new reality – one that provides an opportunity to revisit how we do the work we do. We can learn new ways to tackle old challenges and meet new challenges in creative ways.

Even the best leaders need opportunities to develop. The Office of Human Resources offers a wealth of learning options covering key concepts related to managing in a hybrid workplace including:

- Building Rapport Virtually
- Communicating Virtually
- Delegating from a Distance
- Employee Retention including Stay Interviews
- Leading in a Hybrid Workplace
- Presenting Virtually
- Virtual Team Building

Learning options include instructor-led courses, on demand and self-paced courses, learning paths, videos, books and more.
