IMPORTANT INFORMATION

Whenever a new account is opened, federal law requires all financial institutions to help the government fight the funding of terrorism and prevent money laundering activities by obtaining, verifying and recording information that identifies each person who opens an account. For this reason, we request your name, physical address (a P.O. Box alone is insufficient), date of birth, Social Security number (or taxpayer identification number), telephone number and other information that will allow us to identify you. Without this information, we may not be able to open an account or process any transactions for you. State regulations require that you provide information on any existing annuity or life insurance contracts that would be replaced by the TIAA account for which you are applying. If your new TIAA account is going to replace more than one existing contract, please include that information. **FOR EMPLOYEES APPLYING FOR A GROUP SUPPLEMENTAL RETIREMENT ANNUITY CERTIFICATE FOR AN EMPLOYER LOCATED IN THE STATE OF ARIZONA:** 30-Day Right to Examine Your Group Certificate. TIAA is required, upon written request, to provide you, within a reasonable time, reasonable factual information regarding the benefits and provisions of the group annuity certificate. You have 30 days from the day you receive the group certificate to examine it and to cancel it if you decide not to keep it. To cancel the group certificate, return it to us at the address shown below. Upon receipt of such request, TIAA will refund all premiums allocated to the Traditional Annuity plus the current accumulated value of all premiums allocated to the variable annuity accounts, plus any expense charges or premium taxes deducted from premiums. The group certificate will be void as of the date of issue and no benefits will be provided.

TWO EASY WAYS TO PICK YOUR INVESTMENTS

OPTION A: One-Step Investing

This option is designed for investors who want to keep it simple — by choosing a single lifecycle fund to help meet all of their retirement needs. It's a convenient, low-maintenance way to have your retirement investments professionally managed for you — to and through retirement. All you need to do is pick a single lifecycle fund.

Lifecycle funds have names that match specific investment time horizons — the year an investor expects to retire. So all you need to do is choose the Lifecycle investment with the name that most closely matches when you think that will be.

OPTION B: Pick Your Own Investment Mix

This option is designed for investors who want to research and evaluate their investment choices and then create their own portfolios. We can give you a head start, by providing some examples of model portfolios that include a mix of different asset classes and represent different levels of tolerance. We can also help you determine how much risk you're comfortable taking as a long-term investor.

Before making your investment choices and completing your enrollment form, please read the prospectuses and plan and investment-related information, including plan fees and expenses and current investment performance. To view the prospectuses online, go to TIAA.org/PRO and enter your **Prospectus Access Code: 102241**. If you prefer, you can obtain paper copies of the product and fund prospectuses by calling **877-518-9161**. Please note that on your enrollment form, you will be asked to confirm that you have received and accessed the relevant prospectus(es) for your investment choices. Please read the prospectuses carefully before investing.

If your employer’s plan contains a vesting requirement, your employer exercises all rights to your accumulations under the TIAA and CREF annuities until you become vested under the plan. If your employer’s plan does not contain a vesting requirement or if you have met the vesting requirement of your employer’s plan, you exercise these rights yourself. All contributions must be remitted under the terms of your employer’s plan. Under federal law, distributions before age 59½ or before termination of employment may be prohibited, limited, and/or subject to substantial tax penalties. The TIAA and CREF certificates cannot be assigned. Your ability to take loans and make transfers and withdrawals may be limited by the terms of your employer’s plan. Otherwise, you may transfer among any of the available annuity accounts. Loans are only available from the TIAA Traditional Annuity. Cash withdrawals and transfers from the TIAA Traditional Annuity are not currently subject to a surrender charge. If such a charge is imposed in the future, you would receive three months’ advance notice, and the charge would only apply to subsequently remitted premiums including any amounts transferred from the CREF accounts and the TIAA Variable Annuity Separate accounts after the charge is imposed. **The amount and value of any accumulation units transferred from any account within a TIAA Variable Annuity Separate account may be affected by redemption charges imposed by the investments in which the account invests.**
