

Carnegie Mellon University

WRITTEN ARRANGEMENT INFORMATION

Under Title 34 Code of Federal Regulations Part 668.43(12)(i-iv) regarding information educational institutions must make readily available to enrolled and prospective students, Carnegie Mellon University is providing following written arrangement disclosures about other institutions that provide a portion of our educational programs.

Arrangement Type	Institution Name(s) & Location(s)	Description(s)	Degree Program(s) Involved	Portion Provided by Non-CMU Institution(s)	% provided by non-CMU institution(s)	Method(s) of Delivery	Estimated Additional Cost(s)
Study Abroad/ Capstone	WHU-Otto Beisheim School of Management, Vallendar, Germany	Four-week study abroad/capstone program within CMU's Tepper School of Business	CMU's Tepper School of Business Master of Business Administration (MBA)	Four-week academic program provided by WHU-Otto Beisheim School of Management, Vallendar, Germany during the Spring semester	Less than 25%	Delivery is dependent upon the course(s) selected, including in-person, mixed-modality, hybrid, or distance formats.	A student must pay an additional fee of \$4,000 to participate in the program. Additionally, the student is responsible for the cost of airfare to and from Germany and approximately 40% of the student's meals while at the host institution, and the student's incidental expenses while at the host institution.
Study Domestic/ Capstone	Syracuse University, College of Visual and Performing Arts; New York City	Semester long domestic study/capstone program within CMU's School of Drama	Please see footnote 1	Please see footnote 2	Less than 25%	Delivery is dependent upon the course(s) selected, including in-person, mixed-modality, hybrid, or distance formats.	Please see footnote 3
Cross-registration (Pittsburgh Council on Higher Education [PCHE])	Carlow University, Chatham College, Duquesne University, LaRoche College, Pittsburgh Theological Seminary, Robert Morris University, University of Pittsburgh (all located in Pittsburgh, PA), Community College of Allegheny	CMU full-time undergraduate and graduate students are permitted to cross-register at any of the 10 PCHE Institutions for courses not offered at CMU. Students are generally permitted to register for only one course per semester and must be considered full-time prior to cross-registering for a PCHE course. Students wishing to cross-register for more than	All CMU degree programs, subject to availability and/or department/program approval. For specific details, please see the university's Incoming Cross-Registration and Outgoing Cross-Registration instructions	Course or courses for which student receives approval and is registered	Less than 25%	Delivery is dependent upon the course(s) selected, including in-person, mixed-modality, hybrid, or distance formats.	No additional tuition charge is made to students who are participating in this program, however, the student who cross-registers is responsible for paying any course or laboratory fees to the PCHE host institution.

¹ Undergraduate degree programs, subject to availability and/or department/program approval.

² The portion of the program provided by the non-CMU institution is the course or courses at the host institution for which student receives approval and is registered.

³ No additional tuition charge is made to students participating in the program. Students are responsible for the cost of room, board, international and domestic transportation, and incidental expenses while at the host institution.

⁴ A dual degree program is defined as two degrees granted to the student, one by each university, and may be awarded simultaneously.

⁵ Students are billed through Carnegie Mellon University using Carnegie Mellon tuition, housing and food cost amounts.

Inquiries: For questions regarding Written Arrangements, please contact Matt Metz, Director of Student Financial Aid, at mmetz@andrew.cmu.edu.

Arrangement Type	Institution Name(s) & Location(s)	Description(s)	Degree Program(s) Involved	Portion Provided by Non-CMU Institution(s)	% provided by non-CMU institution(s)	Method(s) of Delivery	Estimated Additional Cost(s)
	County ("CCAC", located in various locations throughout Allegheny County)	one course must have a letter of approval from their dean. Students who are enrolled in an approved joint program between two PCHE institutions may register for more than one course and are exempt from the requirement of being full-time at either institution. CMU students do not acquire student status at the PCHE host institution, but they will have library and bookstore privileges at that institution. Cross-registration applies to fall and spring semesters only. For more details, please see the Incoming Cross-Registration and Outgoing Cross-Registration instructions					
Cross-registration (with CMUQ and Education City Schools)	Georgetown University, Northwestern University, Texas A&M University, Virginia Commonwealth, and Weill Cornell Medical College (located in various locations in Qatar's Education City)	CMU full-time undergraduate and graduate students are permitted to cross-register at any of the 6 Education City Institutions for courses not offered at CMU. Students are generally permitted to register for only one course per semester and must be considered full-time prior to cross-registering for a cross-registration course. Students wishing to cross-register for more than one course must have a letter of approval from their dean. CMU students do	All CMU degree programs, subject to availability and/or department/program approval. For specific details, please see the university's Incoming Cross-Registration and Outgoing Cross-Registration instructions	Course or courses for which student receives approval and is registered	Less than 25%	Delivery is dependent upon the course(s) selected, including in-person, mixed-modality, hybrid, or distance formats.	No additional tuition charge is participating students, however student who cross-registers is responsible for any course or laboratory fees at PCHE host institution.

¹ Undergraduate degree programs, subject to availability and/or department/program approval.

² The portion of the program provided by the non-CMU institution is the course or courses at the host institution for which student receives approval and is registered.

³ No additional tuition charge is made to students participating in the program. Students are responsible for the cost of room, board, international and domestic transportation, and incidental expenses while at the host institution.

⁴ A dual degree program is defined as two degrees granted to the student, one by each university, and may be awarded simultaneously.

⁵ Students are billed through Carnegie Mellon University using Carnegie Mellon tuition, housing and food cost amounts.

¹ Undergraduate degree programs, subject to availability and/or department/program approval.

² The portion of the program provided by the non-CMU institution is the course or courses at the host institution for which student receives approval and is registered.

³ No additional tuition charge is made to students participating in the program. Students are responsible for the cost of room, board, international and domestic transportation, and incidental expenses while at the host institution.

⁴ A dual degree program is defined as two degrees granted to the student, one by each university, and may be awarded simultaneously.

⁵ Students are billed through Carnegie Mellon University using Carnegie Mellon tuition, housing and food cost amounts.

Inquiries: For questions regarding Written Arrangements, please contact Matt Metz, Director of Student Financial Aid, at mmetz@andrew.cmu.edu.
