

Preparing for CMU

We hope you're enjoying your summer as you prepare for an exciting journey at CMU! This message serves as a reminder about some upcoming onboarding tasks you may need to complete, with additional information and resources regarding providing your immunization records, planning your degree, and enrolling in a payment plan.

Onboarding Checklist

Don't forget that you'll need to complete a number of tasks before you start your first semester. Review the onboarding checklist for upcoming deadlines. Be sure to complete all required tasks by their due date, and also consider if the recommended tasks would benefit you.

Upcoming deadlines include:

- **Aug. 1** - Plan Your Degree in Stellic
- **Aug. 1** - Enroll in Monthly Payment Plan
- **Aug. 1** - Submit Immunization Records
- **Varies** - Attend OIE Welcome and Mandatory Immigration Check-In

Planning Your Degree in Stellic

As you prepare for the fall semester, be sure to log in to Stellic Degree Audit using your Andrew ID and password. A degree audit shows you the requirements you need to meet in order to graduate on time. Use Stellic to plan your course schedule and track your progress toward earning your degree. If you don't see an audit for your program, speak to your advisor; it may be that an audit

exists, but isn't visible to you. Please note that although you may plan your degree using Stellic, registration takes place through Student Information Online (SIO).

Monthly Payment Plan

CMU partners with Nelnet Campus Commerce to offer a tuition payment plan, which allows students and families to pay amounts due to the university in monthly installments. Deadlines to enroll vary depending on the type of plan selected, so be sure to review your options soon if you are interested in setting up a payment plan. There is a one-time \$40 enrollment fee, and automatic monthly deductions from a checking or savings account are available at no additional cost.

Immunization Records

All new students must submit their immunization history and upload the Immunization Record Form, signed by a healthcare provider, to [HealthConnect](#) by Thursday, Aug. 1. Refer to the July 3rd email from University Health Services for more information about immunizations.

OIE Welcome & Mandatory Immigration Check-In

All new international graduate students who will be joining us in Pittsburgh are required to attend an in-person Mandatory Immigration Check-in and Welcome Session with Office of International Education (OIE) Executive Director Linda Gentile and the OIE staff. This session will include an introduction to the office and services they provide and answers to frequently asked questions. You'll also complete your required immigration check-in at the session. Additional instructions and details are listed on OIE's website.
