This report is an effort to summarize social media conversations around COVID-19 issues in Pennsylvania, focusing on vaccination. It contains an analysis of the general topics about the current pandemic, such as COVID-19 regulations, mandates, masks, pro-and anti-vaccination campaigns, as well as other topics related to COVID-19 misinformation, disinformation, conspiracy theories, and vaccine hesitancy messages.

The material contained in this report is a summary of social media content and does not represent a judgment or characterization of any individual.
Trends (tweets per week)

- Large increase in “Magnet”-related misinformation
- Dropoff of “ExposeFacebook” discussion, “Vaccine Passport” discussion

High Level View June 3–June 9, 2021

- No new types of stories added this week to the analysis
