STEP 1

choose your iii program

As you learn about the Integrated Innovation Institute, you will discover that each of our master's degrees is specialized, giving students unique skills based on their background and goals.

discover your path to integrated innovation

Before delving into the admissions process, discover which program is right for you by using the following resources:

take action

You can find all of these resources on our website:

cmu.edu/iii/degrees

am i a good fit?

Below are some statistics about the average profile of the applicants we accept into our programs:

GPA 3.5 on a 4.0 scale

GRE Quantitative: 159, Verbal: 155, and Analytical Writing: 3.5

GMAT 600

For applicants whose native language is not English:

TOEFL Internet-Based Test (IBT): Minimum score of 95, with no sub-score below 23

IELTS 6.5

We encourage you to also review our degree pages, where you'll find information on the academic and professional experience we look for in our degree candidates.

If you have questions about your profile, email our team at admissions-iii@cmu.edu

how we use test scores

Test scores are not the only way we learn about you. Our Admissions Committee takes a holistic approach to the review process, looking at every aspect of your application. We do not base our decisions solely on test scores.

STEP 2

learn how to apply

Now that you've decided on your iii master's degree, it's time to get started with the admissions process.

your admissions package

There are two main components to your admissions package: the **online application** and **supporting materials**.

With these components, here's what you should expect to submit:

how to get started

CHECK DEADLINES & REQUIREMENTS

Check when applications open for your iii degree. We strongly recommend that you begin your application 4-6 weeks before the deadline.

Note that all parts of your application (including all materials sent by mail) must arrive before the deadline.

Learn more on our website:

cmu.edu/iii/degrees/admissions

SCHEDULE YOUR ENTRANCE EXAMS

Schedule your GRE or GMAT exam and, if required, the TOEFL or IELTS exam.

If you've already taken these exams, make sure your scores are still valid (i.e. less than five years old).

CONTACT YOUR REFERENCES

You'll need three professional or academic references to submit letters of recommendation on your behalf. Get in touch with them early to ensure they are available to send a letter by our admissions deadline.

CONSIDER YOUR FUNDING PLAN

As you prepare for the admissions process, you should also consider factors that may influence your decision to attend graduate school, especially how to fund your experience.

Begin the process by visiting our website for information on financial aid, housing, health insurance plans, and more:

STEP 3

complete the online application

When you're ready, start the admissions process by working on your online application.

before you begin

BE SURE APPLICATIONS ARE OPEN

Otherwise, you will not be able to start the application. The open date will depend on the iii degree.

REVISIT OFTEN

You do not have to complete the online application in one sitting: Access and edit your application as many times as you like.

SUBMIT ONLY WHEN READY...

Once submitted, you will no longer be able to change the information in your online application. However, you will be able to upload required materials and continuously monitor your application status by logging into your account.

... BUT SUBMIT EARLY

We strongly urge you to complete the online application as soon as possible, leaving you time to submit your supporting materials (explained in Step 4). We cannot review incomplete applications.

fill out the online application

To begin, set up an account through the College of Engineering's online application website:

gradadmissions.engineering.cmu.edu/apply

Next, follow the instructions to complete each section. Here are the sections you should expect to complete:

DEGREE PROGRAM

PERSONAL BACKGROUND

ACADEMIC HISTORY You should include unofficial transcripts for all academic institutions you have attended.

TEST SCORES You upload unofficial scores for GMAT or GRE, and if required, TOEFL or IELTS.

EMPLOYMENT This is where you'll also upload your resume or CV.

ESSAYS This is your chance to tell your story and motivation for applying to our degrees.

VIDEO ESSAY This is run entirely from our platform. You will answer pre-recorded questions. You do not need to prepare.

FINANCIAL SUPPORT You will be asked questions about how you are funding your program.

ADDITIONAL INFORMATION These are additional questions, depending on the degree for which you apply.

RECOMMENDATIONS You will submit contact information for professional or academic references. Your references will then receive a notification to complete a recommendation letter on your behalf.

SIGNATURE You will electronically sign your application.

a note about waiving scores

In select cases, we may waive an exam for an applicant.

For more information, please email admissions-iii@cmu.edu

review & submit

The final section of the online application is the Review stage. Be sure to check through your information and submit. Don't forget to spell check!

After submitting, you will be able to log back into your account to check the status of your supporting materials. We'll review this process in the next step.

STEP 4

send supporting materials

Now that you've submitted your online application, you can finish the process by sending your supporting materials.

Most of your supporting materials are official records of items you sent in your online application. An **official record** is a document that we receive directly from the test center or university. If you have questions about sending official documents, please contact us.
