For the Fall 2018 semester

The Information Systems Program and its corporate affiliate The Boeing Corporation is pleased to announce the availability of three scholarship awards of \$5,000 each in this Fall 2018 semester. Each award will go to applicants chosen by the IS Program, and payment of the awards will be applied to the recipients' tuition accounts.

### **Purpose of the Program**

This award is designed specifically to acknowledge and reward academically successful students who have also demonstrated effective campus citizenship and teamwork abilities/characteristics through personal initiative and extracurricular activities. Boeing encourages underrepresented and economically disadvantaged students to apply.

Candidates must have authorization to work in the United States on a full-time basis for other than training purposes (student/temporary visas do not qualify).
