MSAIE-IS Additional Security Core Courses

This list provides MSAIE-IS degree specific core courses that have been approved by the department. The INI cannot guarantee that courses will be offered each semester or in a specific semester. Students must refer to the 'Schedule of Classes' to determine course availability. In addition, the INI cannot guarantee that a student will be offered a seat in a specific course. These apply to courses at the INI as well as other departments at Carnegie Mellon. Students should always register under the INI course number (14-XXX) if a course is cross-listed with other departments. The numbers for cross-listed courses are provided to the right of the course titles below. Please note: Course numbers and titles may change. If you notice such a change, please let the INI AAO know prior to enrolling in a course.

14-684: Cyber Law and Ethics
14-735: Secure Coding
14-742: Security in Networked Systems
