## Bachelor of Humanities and Arts (BHA)

### Dietrich College (DC) Concentration in French & Francophone Studies

**81 units (minimum)**

**Advisor:** Sébastien Dubreil, Posner Hall 341E, 412-268-5065, [sdubreil@andrew.cmu.edu](mailto:sdubreil@andrew.cmu.edu)

A BHA concentration in French & Francophone Studies promotes not just language proficiency but also an understanding of French and francophone cultures. Students who arrive at Carnegie Mellon with previous language study and/or who have high Advanced Placement, an International Baccalaureate, a Cambridge GCE Advanced level or internal placement exam scores will be able to begin taking courses in the concentration earlier in their undergraduate program. In all cases, progress in the concentration will be accelerated by study abroad, which is recommended for all students.

BHA students take at least 9 courses in their DC concentration, for a minimum of 81 units. A completed DC Concentration Declaration Sheet must be approved by the concentration advisor and submitted to the BXA office by spring mid-semester break of the student's sophomore year. BHA students who are admitted through internal transfer must have chosen a DC concentration at the time of their application, which serves as declaration.
