

BXA-CFA Internal Transfer Required Courses & Audition/Interview/Review

Architecture: Students take 1-2 architecture courses before applying.

Art: Students take 1-2 art courses before applying. Students must provide a portfolio to the art advisor, which is reviewed by faculty on the School of Art's admission committee.

Design: BXA design only considers applicants currently enrolled in the School of Design.

Drama: Dramaturgy is the only concentration option available for BXA. Students take 1-2 drama courses before applying. Supplemental materials required for dramaturgy concentration option with an invited interview.

Music: BXA music performance only considers applicants in the spring semester for fall enrollment, unless currently enrolled in the School of Music for music performance. Students take 1-2 music courses before applying. An audition must be scheduled with the music advisor for music performance. A portfolio review/interview must be scheduled with the music advisor for music composition or music technology (audio recording & production; sound theory & practice).
