

# EA Addtl Major Application

Carnegie Mellon University

## Engineering and Arts Additional Major Application

Please submit a completed application in pdf format to [esyas@andrew.cmu.edu](mailto:esyas@andrew.cmu.edu). The deadline is midnight on mid-semester break in October and March each semester. Please title the email subject line and pdf, *[Last Name] EA Application*.

Name: \_\_\_\_\_ Andrew ID: \_\_\_\_\_

Current Engineering Major: \_\_\_\_\_

CFA Concentration Area of Interest: \_\_\_\_\_

Requesting admission into the EA additional major program is a process of gathering information about the program and carefully evaluating the possibilities in the EA program with your academic passions and goals. All students applying for EA must meet with their current Engineering advisor, a BXA advisor and an advisor in their target CFA area, as well as take preliminary coursework in their target area *before* applying. For all concentrations, there are required courses that must be taken before an application will be considered. It is expected that candidates for EA have at least a 3.00 cumulative QPA in coursework prior to entry.

Whom did you speak with about applying for EA?

Advisor in Engineering: \_\_\_\_\_ Advisor Signature: \_\_\_\_\_

Advisor in CFA: \_\_\_\_\_ Advisor Signature: \_\_\_\_\_

Advisor in BXA:  Director M. Stephanie Murray or  Associate Director Carrie Hagan

I state that the information provided in this application is true and accurate to the best of my knowledge, and I have not knowingly omitted any information requested.

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### Essay of Interdisciplinary Intent

Please briefly explain—in 500 words or fewer—your goals and intentions for your BXA combination.

Address these three aspects:

1. What interests you about these two concentrations? Are there any particular courses you've taken that have prompted this interest?
2. What are some of the connections you want to explore between these two concentrations?
3. What are your goals for integrating these two concentrations, in your academics and professional development?

This statement does not need to be comprehensive, and shorter is better. The internal transfer admission committee reviews this statement to understand your intent in pursuing a BXA degree. Please include your typed response within your singular pdf application file.
