BXA Internships

Internships provide on-the-job experience, college credit and possible opportunities for employment. **Sophomores, juniors and seniors in good academic standing** are eligible to receive academic credit for an internship.

Students usually network for their own internship opportunities. They can consult the Career & Professional Development Center, attend campus job fairs or seek publicly posted positions.

- **Only one BXA Internship** will be counted towards graduation requirements.
- Internship credit may range from **3-12 units**. (To earn **9 units** the student must work **135 hours** at the internship.)
- If approved, the student will be registered for course **52-590**. 3-12 units (135 hours=9 units)
- Grading is **Pass/No Pass** only.

BXA Internship Procedures

1. **Obtain a Site and Supervisor.** The student contacts the organization and makes arrangements for the internship.
2. **Internship Agreement Form.** The student must complete this Internship Agreement Form with a clearly written proposal for the internship and obtain the signature of the site supervisor. The student should bring the completed form to the BXA office. Students may not register online for an internship. The student should give a copy of the internship agreement to the site supervisor.
3. **Supervisor Evaluation.** The site supervisor is required to send a final performance evaluation to the student's BXA academic advisor. This evaluation must be received before the last day of classes in order for a passing grade to appear on the student's grade report.
4. **Summary Report.** The student is required to submit a final summary report to their BXA academic advisor. This report should describe the internship experience in detail. It must be 2-3 typed pages. In order for the grade to appear on the student's semester grade report, the summary must be completed before the last day of classes. **It is recommended that students keep a daily journal of their internship experience.**
