Healthy U: Healthy U Study
 Advising: Undergraduate Academic Advising Study
 SES: CMU-Student Experience Study

VOICES: Study of Inclusion and Campus Climate Experiences
 SARV: Sexual Assault and Relationship Violence Study

FYE1: First-year Expectations
 FYE2: First-year Experiences

There are three cohort patterns:

First-year	FYE1/HU	Adv/FYE2	FYE1/SARV	SES	FYE1/VOICES	Adv/FYE2
Soph	SARV	SES	VOICES	Advising	Healthy U	Advising
Junior	VOICES	Advising	Healthy U	Advising	SARV	SES
Senior	Healthy U	Advising	SARV	SES	VOICES	Advising

Dark highlights indicate a longitudinal study in which students complete the same study in the first and fourth years

Each first-year cohort will take the First-year Expectations Study (FYE1) on the first Sunday of Orientation and the First-year Experiences Study (FYE2) during April, except in a SES year, as the FYE2 items are embedded in the SES.

Rationale: No more than one major survey per semester

Advising and SES need to be end-of-year, SARV, Healthy U, and VOICES do not

Each student will have the opportunity to complete each non-academic experience survey (SARV, Healthy U, VOICES) at least once in eight semesters

Each student will have the opportunity to complete the SES at least once in eight semesters

Each student will have the opportunity to complete the advising survey at least twice in eight semesters

Each student will have the opportunity to participate in at least one longitudinal study in eight semesters
