First-time First-year Admission Activity, Pittsburgh Campus Fall Semesters 2005 to 2009

First-year applicants may apply and be admitted to more than one Carnegie Mellon college; therefore, admission data are presented in two formats:

- 1) by applicant (a student is counted only once in the 'unique applicants,' 'unique admits,' and 'enrolled' categories)
- 2) by application (a student may be counted multiple times within the 'applications' and 'offers of admission' categories, but only once in the 'enrolled' category)

Admitted students who are invited into the Science and Humanities Scholars (SHS) program are counted either within the College of Humanities and Social Sciences (H&SS) or the Mellon College of Science (MCS).
