In recent years, "chapter" is used with more frequency as new groups are formed. For ease of reference, "chapter" refers to both clans and chapters.

Honorary Alumni:

- For degree level, honorary alumni are counted within the "Non-Grad/Certificate" category
- For degree college and preferred degree level, honorary alumni are within the "Other/Honorary" category

Other Category:

- When referring to college codes, the "other" category includes:
  - Administration and Management Sciences
  - Industries
  - Library School
  - Mellon Institute, honorary alumnus(a)
  - Margaret Morrison Carnegie College
  - Printing Management

- The "other" category for international active alumni by country of current residence, preferred degree college, and level of preferred degree includes all countries of current residences with international active alumni counts of fewer than ten.
- The "other" category for domestic active alumni by region of current residence, preferred degree college, and level of preferred degree includes all cities of current residences with domestic active alumni counts of fewer than 75.
