

Dual Career Program

Carnegie
Mellon
University

Mission

CMU is committed to recruiting and retaining diverse and talented staff and faculty members, which often involves accommodating the needs and interests of their partners and families. The Office of Human Resources and the Office of the Vice Provost for Faculty work closely with faculty, deans and administrators across CMU in addition to local university, community and industry partners in the Pittsburgh region to provide dual career assistance.

Program Resources

- Career consultations
- Internal and external referrals and networking opportunities with CMU faculty and staff members, in addition to other local university, industry and community partners
- General job search assistance and coaching
