

**Jeanne Cunicelli**

Jeanne Cunicelli is Executive Vice President of UPMC Enterprises and has more than two decades of experience as a life science venture capital investor and advisor. She leads Translational Sciences, the arm of Enterprises responsible for UPMC's \$1 billion commitment to invest in innovative therapies and diagnostic products, focusing on cancer, transplantation, diseases related to aging and other chronic illnesses. She serves on the boards of multiple portfolio companies.

Prior to joining UPMC, Jeanne was a Managing Director and Investment Partner at Bay City Capital, where she focused on medical device, drug delivery and drug development companies.

Jeanne is a member of the Board of Trustees of Carnegie Mellon University and serves on the Executive Committee.

She received an MBA in Finance from the University of San Francisco and holds a B.A. in Cognitive Psychology from Carnegie Mellon University.
