

Bruce McWilliams

Bruce McWilliams was most recently chief executive officer of Bossa Nova Robotics, the leading developer of service robots for the global retail industry. Bruce has more than 25 years of executive and technical management experience in the semiconductor and electronics industry. Prior to his leadership role at Bossa Nova Robotics, he was Chief Executive Officer of Intermolecular, Inc. and SuVolta, Inc. He served as Chairman of Tessera Technologies, Inc. and was its Chief Executive Officer from 1999 to 2008. During his tenure, the company achieved compounded revenue and operating profit growth exceeding 50% annually which led to Tessera being cited by Business Week Magazine as the Second Hottest Growing Company in America in 2006. In 2005, Bruce received Ernst & Young's Northern California Entrepreneur of the Year award.

He holds B. S., M. S. and Ph.D. degrees in physics from Carnegie Mellon University.
