1. Install Zoom from the Play Store
   
2. Launch the Zoom App.
3. Click Sign In when Zoom launches.
4. On the Sign in Screen Select SSO:
5. From the Sign In With SSO Screen enter cmu for the Company Domain and hit continue.

6. This should forward you on to a CMU log on page, log in with your Andrew ID and Password.

7. After logging in you should be forwarded back into Zoom. From the main Zoom Screen Select Settings.
8. From the settings window select Meeting.

9. From the meeting settings make sure Always Mute My Microphone and Always Turn off My Video are turned OFF.
10. The rest of the instructions need to be done with an Internet Browser. On your device open a web browser (usually Chrome but any browser will work)

11. Go To [https://cmu.zoom.us](https://cmu.zoom.us) and sign in if you are not signed in. If you need to sign in you will get forwarded on to a CMU log on page.

12. Once signed in, click the Settings button on the left hand side of the screen

13. There is a large list of settings, you will want to enable these four. The first two are near the top

Zoom should now be configured for use on Android. If you have any issues with this please contact [hsshelp@andrew.cmu.edu](mailto:hsshelp@andrew.cmu.edu) or call 412-268-5136 for assistance.
